Lead

The Perfect Praise Collection, available for free at <https://libertacaoreal.org/perfeito-louvor-en/>, is a transformative invitation to worship Yahuh in spirit and truth. Written by José Albos Rodrigues, this work—based exclusively on the 66-book Bible—reveals how authentic praise restores the soul, strengthens faith, and prepares believers for the last days.

Body Text

With clarity and biblical foundation, The Perfect Praise Collection teaches that praise goes beyond songs: it is a lifestyle of total surrender to Yahuh. Volume 1, The Essence of Praise, explores how genuine worship aligns the heart with divine will, bringing deliverance and spiritual protection. Volume 2, Living Praise in the Last Days, offers practices to maintain praise amid tribulations, with prayers and reflections to strengthen faith in the face of the imminent Rapture.

“To worship is to surrender to Yahuh. Perfect praise is the key to eternal victory.”

About the Author

After more than two decades of relentless pursuit of Truth, free from the chains of traditional religion and secular science, José Albos Rodrigues dedicated his life to studying the Holy Scriptures as the only source of wisdom. Married for 42 years, father of 4 children and grandfather of 4, he was rescued by Yahushua at age 41, after realizing the silent destruction the enemy was planning against his family and many others. Converted, he embraced the mission to fight for the salvation of his household and to teach the Gospel to family, friends, and strangers — even through the internet. Author of books on love, sex through love, happiness, marriage, fatherhood, and spirituality, José Albos Rodrigues proclaims with conviction: Yahuh is faithful, and Yahushua never abandons those who truly surrender to Him.
